

Covid-19 Preventive - Social Distance Management Solution Kit

Ver. 6.0

Solution 01

Covid-19 Preventive - Visitor Registration and Monitoring

Solution Ver. 6.0

About

Designed and developed by Sapro, from Texonic Information Systems (Pvt) Ltd, 22 years, fully Sri Lankan owned company.

Use to mark check-in and checkout for all visitors to your office (Government or private/ Bank/ Police station/ Any service provider/ Railway or Bus station/ Hotel/ Restaurant/ Hospital/ Supermarket/ Mall/ Theater etc.) to identify and track the date and time visited. Which helps in many ways to track visitors, specially in this pandemic situation.

Current Vs Proposed

Solution 02

Covid-19 Preventive - Remote appointment solution.

Ver. 6.0

About

Designed and developed by Sapro, from Texonic Information Systems (Pvt) Ltd, fully Sri Lankan owned company,

To reserve remote appointments on preferred date/time from any government or private sector organization to receive protective and productive service by saving time and ensuring safety by maintaining social distancing in practice, it is very important specially in this pandemic period.
